

Events Manager Job Description

Organization Overview: Beyond Housing exists because home matters. We begin with actual houses and housing preservation, focusing on quality and stability to give people a place to start. But there is more to a home than the house a home is about the life that happens in and around the house, as well as the life that fuels and draws out the best of the people within it. That life, in turn, is shaped by the community, its influences, its structures, and the people and dynamics that define it.

Beyond Housing helps entire communities become better places to live. We engage where we're needed, focusing on building consensus among leaders, providing and preserving housing, fostering community structures that shape lives, and guiding systems that make people's lives better.

We lead with vision for what a community can be. Every community is different, but thriving communities tend to share the same basic set of positive traits regarding housing, safety, education, health, infrastructure, and access to basic human services.

We bring together leaders and resources, volunteers and citizens, and pursue a wide assortment of creative approaches to build stronger, healthier communities for life.

Finally, we are community builders, not kingdom builders. "It's their neighborhood, future, & dreams". Our objective is to help build and contribute the good things we do for the sake of adding value to the lives of the people we're honored to serve.
