

Native Stewardship Technician Job Description

Overview: Beyond Housing is a nationally recognized community development organization that works to strengthen families and transform underserved communities to create a stronger, more equitable, and prosperous St. Louis region for all. We engage where we're needed, focusing on building consensus among leaders, providing and preserving housing, fostering community structures that shape lives, and guiding systems that make people's lives better.

We lead with vision for what a community can be ~ every community is different, but thriving communities tend to share the same basic set of positive traits regarding housing, safety, education, health, infrastructure, and access to basic human services.

Position: The Native Stewardship Technicians are essential to the effective and efficient operation of the collaborative community forestry program within the 24:1 Initiative. Beyond Housing is currently looking for Native Stewardship Technicians to work closely with our Native Stewardship Lead, Community Forester, Assistant Community Forester and twenty-four small communities in the north St. Louis area to improve the health of community forests and native areas, and increase the citizen knowledge, understanding, and participation in the management of Missouri's urban and community forests and native landscaping.

Responsibilities include, but are not limited to:

- Using hand tools and power tools to perform site preparation including remove invasive plants
- Maintains existing bioretention basins and other native areas.
- Water, mulch, weed control, and prune young trees.
- Grade, seed, straw and manage new native planting sites.
- Promotes forestry and environmental programs.
- Other duties as required.

Personal Qualities:

- **Collaborative** -- A dynamic personality that is collaboratively minded, can recognize and identify strengths, seek consensus around mutual goals, and build meaningful relationships.
- **Creative and Curious** -- A systems-thinker and builder, who is not afraid to be innovative in designing solutions and has skills in articulating these ideas and concepts.
- **Methodical** -- Strong analytical, systems, and problem-solving skills to evaluate performance, prepare reports, and recommend/implement solutions using independent judgment. Ability to move from concepts to action through strong program design and evaluation.
- **Reliable** -- Leadership skills that reflect and value a team approach, demonstrated integrity, effectiveness, efficiency, and the ability to deliver high quality service. Highly capable of handling multiple tasks, projects and timelines. Excellent oral and written communications skills.
- **Trusted** -- Ability to work with residents, partners, and staff of diversified backgrounds with a positive, optimistic, solutions-oriented attitude. Shares a deep respect for the community, its stakeholders and the residents that we serve.
- **Driven** -- Passion for the work and an interest in continuous learning and improvement.

Preferred Experience and Qualifications:

- Position requires a High School Diploma and an interest in serving their community, working outdoors, and learning new skills.
- Comfort with using tools and equipment that are used in construction and landscaping projects after training.
- Familiarity with the 24:1/Normandy Schools Collaborative
- Able to work in a fast- changing environment
- Commitment to racial equity with a diverse group of people.
