

Grant Developer Job Posting

Overview: Beyond Housing is a nationally recognized community development organization that works to strengthen families and transform underserved communities to create a stronger, more equitable, and prosperous St. Louis region for all. We engage where we're needed, focusing on building consensus among leaders, providing and preserving housing, fostering community structures that shape lives, and guiding systems that make people's lives better.

We lead with vision for what a community can be ~ every community is different, but thriving communities tend to share the same basic set of positive traits regarding housing, safety, education, health, infrastructure, and access to basic human services.

We are in search of a Grant Developer to join a dynamic and passionate team of writers and strategic thinkers to help move the mission of Beyond Housing to the next level. This position is eligible to be **100% remote**.

Duties:

- Write and edit grant proposals and concept papers in response to RFPs.
- Research funding opportunities (e.g. monitor websites and other media outlets and foundation publications for relevant RFPs).
- Manage a grants management database system (Grant Seeker).
- Coordinate timely submission of proposals and grant reports in conjunction with designated program staff.
- Host grant Kick-Off meetings with appropriate program and compliance staff once grants have been awarded.
- Work with staff from other departments on program and project financials, goals and outcomes relative to grant submissions and reports.

Required Qualifications:

- BA, BS with preferred course work in Social Services, Communication, Nonprofit Management, or another related field.
- Minimum 3 years of experience with grant writing
- Good organizational and self-motivational skills.
- Excellent writing, editing, research, and oral communication skills.
- Able to work quickly and produce quality work under tight deadline requirements.
- Able to plan, prioritize, shift priorities if necessary, and coordinate multiple projects to meet deadlines

Preferred Experience and Qualifications:

- Strong computer skills, including MS Office 365 (Word, Excel, Teams, and Outlook).
- At least one year of database management experience
- Ability to work with little supervision, with a variety of peers and with management.
- Excellent attention to detail and ability to meet deadlines.
- Ability to manage multiple complex tasks and/or projects simultaneously while addressing the needs of the office, ability to maintain composure under pressure.
- Highly organized, self-starter with good interpersonal, problem-solving and analytical skills.
- Ability to anticipate needs, see opportunities and use good judgment in dealing with confidential information.
- Ability to analyze and review operational procedures, identify problem areas and optimize performance through procedural changes.
- Proficiency in communicating effectively, including an ability to write and speak clearly.
