Beyond Housing will be hosting The Page Brewfest in partnership with Chillax and The City of Pagedale this fall. This community festival will be held in The Page and take place on Saturday, September 30, 2023, in Pagedale, MO, one of the inner-ring suburbs that make up the 24:1 Community in North St. Louis County. Our hope is that the Beer Festival and Walk/Run will create a space to celebrate the 24:1 Community by bringing people together over their love of craft beer and the arts while supporting minority owned businesses.

Beyond Housing, Chillax, and The City of Pagedale are excited to share this celebration with you. This festival helps to create a stronger, more equitable, and prosperous St. Louis for all by engaging community and supporting minority owned businesses. The addition of the Walk/Run helps to promote healthy living as well.

The Page Brewfest will be held in The Page, an economic development that further strengthens the commercial and residential corridor along Page Avenue in Pagedale and is home to five businesses led by Black entrepreneurs and a nonprofit commercial kitchen.

We hope you will support the 24:1 Community, black-owned business, and the arts in addition to our community placemaking efforts as a Brewfest Sponsor!
