

Holiday FRIENDS

*H*oliday Friends is our annual gift-giving program that aims to brighten the season for 1,000 children by ensuring they wake up to something under the tree.

As a supporter of Beyond Housing, you are a part of our family—and you create a connection that strengthens the resilient families we serve, and Holiday Friends is an important part of our comprehensive approach. For example, after working with a family to budget and create a plan to purchase their first home, we want them to continue a successful path and not feel the pressures of purchasing gifts for the holidays to throw off their savings plan. By relieving some of those financial stressors, Holiday Friends provides an opportunity for families to stay on track with their financial goals while not sacrificing the joys and memories of the holiday season.

Your generosity helps to create a more joyful season for all, making Holiday Friends a bright spot for families and supporters alike. We hope you will come alongside Beyond Housing to truly brighten this holiday season for the children in our community.
