

## Holiday FRIENDS

*H*oliday Friends is our annual gift-giving program that aims to brighten the season for children living in North St. Louis County by ensuring they wake up to something under the tree. But the program is much bigger than holiday gifts.

Holiday Friends is an opportunity for companies, their employees, and other organizations in St. Louis to come together during the holidays.

Together we can help families stay on track with their financial goals without sacrificing the joys and memories of the holidays. For example, for a family that is working diligently to budget and create a plan to purchase their first home, Holiday Friends enables them to continue on their path without the pressure of purchasing holiday gifts.

Please join us in this rewarding experience for families and supporters alike and ensure that the magic of the holidays reaches those who need it most.

# YOUR GENEROSITY HELPS CREATE A MORE JOYFUL SEASON FOR ALL

Your organization's donation makes a real difference for the families we serve. Please consider giving a donation to help make St. Louis more joyful for all.

## GIVING LEVEL OPPORTUNITIES

Anyone who donates to the Holiday Friends gift giving program will be recognized for helping to support over 500 children living in St. Louis who would otherwise go without this holiday season.
