# *Help Keep Good Going for Families This Holiday Season*

For 50 years, Beyond Housing has been working to keep good going in North St. Louis County—strengthening families, transforming communities, and creating a stronger St. Louis for all. Holiday Friends is an integral part of our comprehensive approach to supporting resilient families. After assisting families in budgeting and planning for their first homes, we understand the importance of maintaining financial stability. By alleviating the pressure of purchasing gifts, we help families stay on track with their savings goals.

Your generosity helps create a more joyful season for all, making Holiday Friends a bright spot for families and supporters alike. We hope you will join us to ensure the magic of the holidays reaches those who need it most.
